NEW SUBNAVIGATION

- (4) subheadings: 1. Product, 2. Environments, 3. Detail and 4. Installations - This will change depending upon product.
- Default page will be Product
- Highlighted subnavigation word will match color used in main navigation
- Font size is same size as subnavigation on OPTIONS section (Models, Arm Style, Controls...etc) :

NEW THUBNAIL VIEW

- Modular system, similar to SitOnit: <https://www.sitonit.net/productcatalog/hexy.html>
- (5-10) Columns x 4 rows = 20 minimum images, 40 maximum images.
